K-droz Contest 2021

Word or Pdf file to be e-mailed to bleu@k-droz.fr

by 28th March 2021.

The K-droz Association promotes ways for novelty in artistic creations, using contemporary materials and techniques. Since its creation it has organized six competitions :

- Triton d'Or, for cardboard works in 2013. 2015. 2017, Machine-made works of art in 2014, Kinetic art in 2016, Metamorphosis, for reclaimed material Art in 2018

These 6 contests have generated several exhibitions in Paris, Nancy in France, Hamm and Münster in Germany, London GB, Antikira in Greece.

Many artworks from these competitions and subsequent exhibitions have been acquired by collectors.

In 2019, the K-droz artistic association is organizing a new international contest placing the same emphasis on creativity.

Contest

The competition is open to all.

Applications will be received by E-mail at no charge.

The theme of the competition is *Blue*, **the presented work will attract the viewers into dreaming.**

The choice of techniques is open, in a contemporary framework.

The selection of the winners will be based on:

- Novelty of the presented work : concept, strength, aesthetics
- Quality in its making
- The artist`s commitment to the artistic creation.

The jury, whose decision is final, will be comprised of artists, visual art experts and curators chiefly :

- Eugenio Tellez, painter
- Pierre Chirouze, President of the K-droz artistic association
- Jean-Marc Introvigne, curator
- Claudine Fournier, painter
- Gela Chmelar, curator
- Polyxene Kasda, visual artist
- Ange Pierraggi, painter
- Jean Lesage, art collector
- Pascale Wirth, visual artist
- Joëlle Varenne, writer
- Olivier Millerioux, visual artist
